# LEARNING OBJECTIVE

## Learning Objective

---

By the end of this session, students will have a deeper understanding of the key ingredients to **"Releasing Inner Magic"**; Passion, Purpose, Authenticity, Curiosity, Ownership, Kindness, and Being; and how they can integrate these into their daily lives to **unlock their unique potential and create meaningful impact.**

We are an unsung song,  
piano keys that don't know  
the touch of fingertips.  
The kite with string  
still spooled tight,  
and antique bird wings  
that never knew the taste  
of air.  
We are all that is,  
waiting to be  
all it could be.

-Tyler Knott Gregson-

# Ingredient 1

# PASSION

Stars aren't just meant for the night sky, for they exist within us too...

unmoulded

# Ingredient 2

# PURPOSE

A night sky photograph showing the Milky Way galaxy stretching across the frame. A bright star, likely the North Star, is visible in the upper center. The foreground shows a dark silhouette of trees.

unmoulded

Your North Star is only  
visible to you, follow it...

# AUTHENTICITY

A large group of yellow rubber ducks is shown, filling the frame. In the center, a single purple rubber duck stands out, facing forward. The ducks are arranged in a dense, somewhat circular pattern, with the purple duck at the very center.

Ingredient 3

A Rainbow can't be a  
Rainbow if one of the  
colours is missing...  
your colour is needed

Ingredient 4

CURIOSITY

*A Life of Possibility  
can only be painted with  
YES brushstrokes...*

# Ingredient 5

# OWNERSHIP

You can't  
commit to  
anything, until  
you are fully  
committed to  
YOU...

A man with a beard is shown in profile, looking upwards towards a bright star in a dark, starry space. The star is emitting a bright light and a small comet-like tail. The overall mood is contemplative and aspirational.

A diverse group of people, including men and women of various ages and ethnicities, are standing in a line in a grassy field. They are viewed from behind, and their arms are around each other's shoulders, suggesting a sense of unity and support. The background is a soft-focus green field with trees in the distance.

# KINDNESS

## Ingredient 6

unmoulded

More than  
being  
SEEN,  
more than  
being  
HEARD...

being FELT

Ingredient 7

BE

*In the  
blink of an  
eye...*

*unmoulded*

A wide-angle photograph of a beach at sunset. The sun is a bright, glowing orb in the center of the frame, partially obscured by a large, dark rock formation. The sky is filled with soft, colorful clouds in shades of orange, pink, and blue. The ocean is calm, with gentle waves lapping at the shore. In the foreground, a series of dark footprints leads from the bottom center towards the water. A small, dark silhouette of a person stands on the beach in the distance, looking out at the sea. The overall mood is contemplative and inspiring.

Don't leave  
your legacy,  
LIVE it...

# CONCLUSION

A dark, moody image featuring a film strip running horizontally across the center. The words "THE" and "END" are printed in large, bold, black capital letters on two adjacent frames of the film strip. In the background, a large, metallic film reel is visible, partially obscured by the film strip. The overall aesthetic is cinematic and vintage.

**THE END**

## CONCLUSION

---

#JUST ME

As we wrap up, I hope  
you're feeling inspired to  
**lean into your own inner  
magic.**

It's not about being perfect  
or having all the answers;  
it's **about embracing what  
makes you, YOU.**

## CONCLUSION

---

Your **passion** gives you energy, your **purpose** gives you direction, and your **authenticity** makes you unforgettable.

**Curiosity** keeps you growing, **ownership** keeps you grounded, **kindness** connects you to others, and simply **being** allows you to find peace and presence in the moment.

## CONCLUSION

---

Your inner magic isn't  
something you have to find;  
**it's something you release...**

So go out into the world with  
courage, knowing that **your  
unique magic can make it  
brighter.**

# RESOURCES

A black and white photograph of a stack of books. In the foreground, an open book lies flat, and a pair of glasses rests on its right page. The background is filled with more stacks of books, creating a sense of a library or a large collection of resources.
